On October 28, 2011, the court modified the defendant's conditions of release to include a requirement that she participate in a program of mental health treatment, as directed by the probation officer.

**RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:**

The offender was originally released to a third party custodian and required to reside at the custodian's residence. However, the custodian has encountered financial difficulties and has been unable to maintain reliable phone service at the residence which has caused significant problems for the home confinement/location monitoring condition to be enforced by the court. In order to resolve this situation, the defendant requested permission to relocate to a different residence within the Wilmington, North Carolina, area. The probation office has evaluated this request and recommends approval. This plan was orally presented to the court on December 14, 2011, at which time the court indicated this action would be viewed favorably. The government and defense counsel do not object to this modification. The original custodian, has requested she be released from her third party custodian obligations since the defendant will no longer be residing at her home.

**PRAYING THAT THE COURT WILL ORDER** that the defendant be allowed to relocate to an approved residence in the Wilmington, North Carolina, area and that the original custodian be released from her obligation to serve as a third party custodian.
